## intlx Solutions Acquires Hilltop Technologies

CANTON, MA, April 1, 2021 - intlx Solutions, a leading company founded by engineers focused on providing best-in-class IT support to their customers, announced that it has acquired Suffield, CT-based Hilltop Technologies, a provider of unified communications solutions and services. The terms of the agreement were not disclosed.

Founded in 1999, Hilltop Technologies brings to intlx Solutions a proven expertise in unified communications, IT services, and disaster recovery. The company also brings to intlx Solutions a customer base with hundreds of successful installations and happy support customers. The acquisition gives intlx Solutions an enhanced presence in the Northeastern U.S., including a dedicated team of employees with an office in Suffield, CT.

intlx Solutions' President, Kenny Pearl stated, "With the acquisition of Hilltop Technologies, we feel we will be able to effectively pool together our company resources to continue to deliver award-winning solutions and support to our collective customers. Rob at Hilltop has built a winning team and a go-to-market strategy that we know will only help the future and continued growth of intlx Solutions."
