intlx Solutions, LLC is Awarded MA State Contract ITT85

HINGHAM, MA, November 16, 2026 - intlx Solutions announces it has been named an awarded vendor for the Massachusetts Statewide Contract ITT85, for Category 2: Voice Services, Category 7: Managed Services, Category 8: Contact Center Technology Services (Call Management Systems) and Category 9: Components for Telecommunications; Related Equipment.

The award enables eligible organizations to purchase intlx Solutions' approved offerings in these categories through the Commonwealth's statewide purchasing program. Eligible buyers include state agencies, cities and towns, public school districts, public libraries, public institutions of higher education, and other qualifying entities.

"At intlx, we've always believed that taking care of customers shouldn't be complicated. We listen, we understand what they need, we bring the right people to the table, and we follow through. We're fortunate to have a team of incredibly talented people who genuinely care about the work they do and the customers they support. Being awarded this contract gives us the opportunity to bring that same approach to more organizations right here in Massachusetts, and that's something we're really excited about."

Through ITT85, intlx Solutions looks forward to helping public sector organizations across Massachusetts strengthen the communications systems that connect their teams and the communities they serve.
